

PARTNERSHIP PROGRAM IMPACT: 2013

ABOUT FHSSA

FHSSA is an affiliate of the National Hospice and Palliative Care Organization whose mission is to enhance compassionate care in Africa by partnering U.S. hospice palliative care organizations with African providers.

Since 1999, FHSSA has partnered over 80 organizations throughout 13 African countries and 30 states.

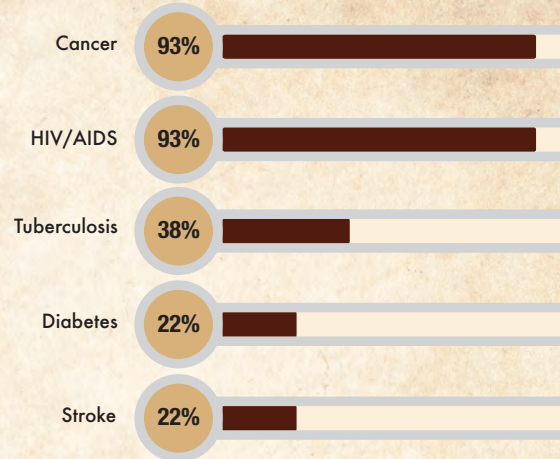

Since 2004, these partnerships have collectively sent over \$3.5 million to programs in Africa.

For 2014, FHSSA is expanding its mission to build partnerships globally in addition to Africa and will be known as **Global Partners in Care**.
