GPIC receives donation and acknowledges donor

Within five business days of receiving the donation, GPIC emails an acknowledgement of donation and mails a tax acknowledgement letter to US Partner.

Funds are wired to the intended recipient

Every two weeks funds over \$500¹ are wired to the International Partner. A notification email is sent to both partners with wire transfer date, reference number and a request for the International Partner to confirm with GPIC that they received the funds.

Recipient acknowledges receipt of funds

International Partner acknowledges receipt of funds by sending a thank you letter to the US Partner with any necessary details as to how the funds will be used AND an acknowledgement of receipt of funds to GPIC².

¹ For purposes of tracking funds, limiting opportunities for funds to be lost in transfer, and minimizing unnecessary administrative costs associated with wiring fees, partner funds are held in their designated accounts until they have accumulated a minimum of \$500. Exceptions may be considered – please contact us to discuss.

² This is necessary for GPIC auditing purposes. If we do not hear from you within three weeks, a follow-up email is sent requesting that confirmation.
